

Opportunities to Earn College Credit in High School

Schools	Overview	Eligibility	Fees	Application
 <p>COLORADO CHRISTIAN UNIVERSITY <i>Grace and Truth</i></p>	<p>Colorado Christian University (CCU) Immanuel has partnered with CCU to offer dual enrollment courses. These dual enrollment (DE) courses provide Immanuel students the opportunity to enroll in college courses and be taught by our faculty on our campus. Students who successfully complete the courses earn transferable general education (GE) credits in addition to high school credits. Immanuel currently offers three DE courses: English Composition, Introduction to Psychology, and Introduction to Literature.</p>	<ul style="list-style-type: none"> • 11th and 12th-grade students who meet course-specific prerequisites. • Approval from parents, counselor and/or principal, and college counselor. 	<ul style="list-style-type: none"> • \$200 per dual enrollment course 	<ul style="list-style-type: none"> • Indicate interest when submitting course requests for the upcoming school year. • Find more information online: https://www.ccu.edu/academics/dual-credit/
  	<p>Community College Enrichment Program (a.k.a. High School Enrichment or HSE) Immanuel works with a variety of community colleges, including Reedley College, College of the Sequoias, and West Hills, to provide students with the opportunity to enroll in college courses and receive both college and high school credit. Evening and online courses are available. Note: summer school enrollment is limited by the colleges to 5% of each grade level admitted.</p>	<ul style="list-style-type: none"> • Specific grade level and GPA requirements are set by each college. • Approval from parents, counselor and/or principal, and college counselor. • Must be a full-time student at Immanuel High School. 	<ul style="list-style-type: none"> • Community Colleges waive enrollment fees for high school students. • Students must purchase textbooks and other required materials. 	<ul style="list-style-type: none"> • Meet with your high school counselor to determine eligibility and availability of courses. • Complete and return the college required concurrent enrollment form. • Submit an online application to the college, making sure to indicate that the student is a high school student. • Find more information online: https://www.reedleycollege.edu/admissions-aid/high-school-enrichment.html
 <p>GRAND CANYON UNIVERSITY</p>	<p>Grand Canyon University offers a variety of online dual enrollment courses that are available to high school students. Courses are 7 weeks in length with 2-3 start dates each month, depending on the demand. Due to the intensity of these courses, students can expect to invest a significant amount of time in assignments, readings, etc. It may be an ideal summer option. Some of these courses provide students the opportunity to earn both general education college credits and high school credits.</p>	<ul style="list-style-type: none"> • Sophomores with a 3.25 or higher unweighted GPA. • Juniors or Seniors with a 3.0 or higher unweighted GPA. • Approval from parents, a counselor, and GCU admissions. 	<ul style="list-style-type: none"> • Tuition is \$210 per 4 credit course. • Most courses have a \$95 electronic book fee. 	<ul style="list-style-type: none"> • Meet with your high school counselor to determine eligibility and availability of courses. • Apply to the program online via GCU's website. • Find more information online: https://www.gcu.edu/individual/courses/dual-enrollment
	<p>Advanced Placement (AP) courses offer a challenging educational experience for college-bound students. When compared to other high school courses, AP courses take more time and require more work. AP courses last a full school year or a semester, depending on the course. In May, AP exams are taken and scored on a 5 point scale. Most major colleges and universities recognize scores of 3 or higher for college credit. The amount of credit and type varies by institution. Immanuel currently offers a variety of AP courses: AP Biology, AP English Language, AP Calculus, AP Statistics, AP World History, AP US History, AP Micro Economics, and AP Macro Economics.</p>	<ul style="list-style-type: none"> • 10th, 11th, and 12th-grade students. • Meet course-specific prerequisites. These are available in the student handbook. 	<ul style="list-style-type: none"> • There is no additional tuition cost to take an AP course while attending Immanuel. • Students will need to pay for textbooks, any other course materials, and the \$94 AP Exam fee. 	<ul style="list-style-type: none"> • Indicate interest when submitting course requests for the upcoming school year. • Find more information online: https://apcentral.collegeboard.org/about-ap/ap-a-glance • Some students may choose to take part in the College Level Examination Program (CLEP). More information can be found: https://clep.collegeboard.org/earn-college-credit/clep-basics

VERY IMPORTANT: Grades earned for dual enrollment or High School Enrichment courses will be permanently posted on students High School and college transcripts. Students who fail DE or HSE courses may jeopardize financial aid possibilities for themselves in the future. It is highly recommended that students contact institutions of interest in order to find out how course credits will transfer, as institutions have varying guidelines for the transfer of credits- this can vary depending on the student's major and many universities will accept courses within your major as elective credit.
