GENERAL INFORMATION

MISSION STATEMENT

Immanuel Schools' mission is to equip students to serve God and neighbor with mind, body and soul, based on a Christ-centered foundation.

VISION STATEMENT

Relying on God's strength and provision, Immanuel Schools will be known as an exemplary Christian school. Within a distinctive family atmosphere and culture, our devoted and exceptional staff will disciple students to be Christ followers, provide excellent programming with high academic standards, and through a Biblical worldview, inspire students to discern and follow God's calling.

Confession of Faith

1. That the whole Bible is the inspired and infallible Word of God, and is the supreme and final authority in all matters of faith and conduct. (II Peter 1:21; II Timothy 3:16)
2. That there is one God, eternally existing in three persons: Father, Son, and Holy Spirit. (II Corinthians 13:14)
3. That Jesus Christ was begotten by the Holy Spirit, born of the Virgin Mary, and is true God and true man. (John 1:1, 2, 4; Matthew 1:18; Philippians 2:5-8)
4. That the Holy Spirit is a person, is God, and is co-equal with the Father and the Son; convicts the world of sin, righteousness and judgment; regenerates and indwells the believer, is his constant guide and teacher, and is the enabling power for victorious living and dedicated service. (John 14:26, 16:7-8, 13; Titus 3:5; Acts 1:8)
5. That man was created in the image of God, that he sinned, and thereby incurred for himself and the whole human race not only physical death, but also spiritual death, which is separation from God. (Romans 5:12; Genesis 1:26-27)
6. That the Lord Jesus Christ died for man's sins, according to the Scriptures, and that all who believe in Him have the forgiveness of sins through His blood. (I Corinthians 15:3; Ephesians 1:7)
7. That Christ arose bodily from the dead and ascended into Heaven where He is now the believer's High Priest and Advocate. (I Corinthians 15:4; Hebrews 7:25)
8. That the imminent return of Christ from Heaven will be personal and visible and that He will judge the living and the dead. (Acts 1:11; John 5:28-29)
9. That an individual becomes a child of God by being born of the Holy Spirit by the Word of God through a personal faith in Jesus Christ. (John 1:12-13; Titus 3:5)
10. That the church, instituted by Christ, consists of all true believers, and that the Great Commission to make disciples of all nations is the supreme mission of the church of this age. (I Corinthians 12:12-13; Matthew 28:19-20)
11. That the ordinances of the Church are water baptism upon personal confession of faith and the Lord's Supper in remembrance of Christ. (I Corinthians 11:23-26; Romans 6:4)
12. That there will be a bodily resurrection of both the just and the unjust with a state of everlasting blessedness for believers and a state of eternal punishment for all unbelievers. (I Thessalonians 4:13-18; Revelation 20:11-15)
13. That the Christian life is separated unto God, conforming to the teachings of the Word, and dedicated to the service of Christ. (Romans 12:1-2)
14. We believe and hold that the events recorded and people named in the Genesis account are historical; that the creation of man was unique; that he was created in the image of God by a special act of divine creation both biological and spiritual and not from any previously existing forms of life.
15. Marriage is a covenant relationship intended to unite a man and a woman for life. At creation, God designed marriage for companionship, sexual union, and the birth and nurture of children. Sexual intimacy rightfully takes place only within marriage. Marriage is to be characterized by mutual love, faithfulness, and submission. (Genesis 2:18-28, Matthew 19:3-12; Mark 10:6-11)

Immanuel Schools subscribes to the *Confession of Faith* of the U.S. and Canadian Conferences of the Mennonite Brethren Churches. For additional information and/or clarification of Immanuel Schools' guiding principles, please consult this handbook. Copies are available upon request.

Philosophy

“The Bible is the inspired Word of God. It is the basis for teaching the faith, giving direction to one’s life, and training a person in right living.” (II Timothy 3:16)

Therefore, on this basis, the philosophy of Immanuel Schools is grounded on the following beliefs:

- That the home, the church and the school should complement each other, promoting the student’s spiritual, academic, social, and physical growth.
- That learning involves interaction between people and that a well-rounded education involves exposure to a variety of cultures, ideas, and issues, all of which are to be interpreted by the light of God’s word.
- That God has given differing abilities to each student. It is the staff’s responsibility to stimulate and to challenge each student according to his/her ability while seeking to develop the student’s full potential.
- That Immanuel Schools must offer the best educational opportunities possible, using the finest facilities and equipment that the constituency can afford.
- That every instructor is encouraged in professional growth and that new ideas in education are considered if they will improve the program of the school and remain consistent with its mission.
- That the student’s home, church, and school experiences should be in preparation for a life of fellowship with God through Jesus Christ and service to Him and fellow men.
- That evaluation and assessment of our educational and spiritual programs, as evidenced in the lives of Immanuel’s graduates is necessary for continued improvement toward meeting the needs of our students.

History

Immanuel High School was founded as a Bible School in 1926 by interested members of the Mennonite Brethren Church. The educational program was carried on in the old Sunday School Building which was then located just south of the present Reedley Mennonite Brethren Church. It became the desire of the local M.B. Churches to educate their children in Biblical knowledge beyond the training the churches could give.

Immanuel Academy was established as a four-year high school in 1944. It moved to the present location, a beautiful 13.5 acre campus, overlooking the Kings River in Reedley, at 1128 S. Reed Ave. It became a fully accredited secondary school in 1969 by the accrediting agency of the Western Association of Schools and Colleges. In 1973 the Board changed the name to Immanuel High School. In 1991, Immanuel Junior High School opened with grades 7-8. The Junior High campus is located on the northwest end of the Immanuel campus. Then in 1994, it was adopted by the Immanuel High School Board to change the schools' names to **Immanuel Schools**, to include both junior and senior high school. In 1999, an additional classroom was moved onto the junior high campus to accommodate a self-contained 6th grade class. In the year 2000, a second classroom was added to the 6th grade. Immanuel has continued to maintain a high scholastic standard and desires to improve the scope and quality of its educational program. In 2004, Immanuel Schools purchased Windsor Christian Academy, located on Ave. 416. Both 6th grade classes were moved to this location establishing it as a K-6 school. In 2010, Immanuel Elementary School relocated to the secondary campus and continues as a separate K-6 campus while also enjoying the benefits of centralized resources. In 2015, Immanuel added a 50 acre sports complex located 2 miles west of the main campus. The Sports Complex houses eight tennis courts, two baseball and two softball diamonds, and is the home to County Line Stadium. Due to the relocation of Immanuel's sports facilities, a brand new elementary school was completed in 2017 on the main Immanuel campus. During the summer of 2021, additional portables and a serving kitchen were built on the elementary campus to accommodate future growth.

The school is a nonprofit corporation sponsored by the Reedley and Dinuba Mennonite Brethren Churches.

*“And you shall love the Lord your God with all your heart, and with all your
soul, and with all your mind, and with all your strength . . .
You shall love your neighbor as yourself.”
Mark 12:30-31*

Memberships

Immanuel has membership in the California Interscholastic Federation (CIF), California Scholastic Federation (CSF), and is a member of the Tri-County Conference (TCC).

Traditions

SCHOOL COLORS – Royal Blue and White

MASCOT – Eagle

SCHOOL SONG – “Hail Immanuel”

SCHOOL VERSE – Isaiah 40:31

“Hail Immanuel”

Standing on a firm foundation,
Guarding truths that we hold dear,
We behold our Alma Mater,
Sing the anthem loud and clear.

Refrain

Hail the king who ever liveth,
Hail Immanuel, God with us,
To my colors e’er be true,
Spotless white and royal blue.

Planted in a fertile valley,
Where the living waters flow,
Ever faithful, ever truthful,
May our Alma Mater grow.

Refrain

Hail the king who ever liveth,
Hail Immanuel, God with us,
To my colors e’er be true,
Spotless white and royal blue.

Isaiah 40:31

“But they that wait upon the Lord shall renew their strength;
they shall mount up with wings as eagles;
they shall run and not be weary;
they shall walk and not faint.”

Governing Board

The Board of Trustees of Immanuel Schools is selected by four membership churches. Two of these churches, Reedley Mennonite Brethren and Dinuba Mennonite Brethren, are the legal owners since they started the school. Two other churches are participating members of the organization. These are: Hope Kingsburg and Grace Church of the Valley. The Immanuel Board of Trustees meets monthly.

Faculty

Immanuel Schools strives to employ competent, certificated, and dedicated faculty members who are value-oriented and who strive for excellence. They live and teach from basic Christian concepts while sharing their own sense of values, attitudes, and their philosophy for life, as seen from God's Word. Immanuel Schools employs faculty and staff to meet the needs of the school. Employment practices shall not discriminate against applicants on the basis of race, color, or national and ethnic origin.

Admission Policy

Immanuel Schools is open to anyone interested in securing a Christian education, from kindergarten through twelfth grade, whom the school finds qualified for admission and who agrees (and whose parents agree) that he or she shall abide by Immanuel Schools' rules. It must always be understood that attendance at Immanuel Schools is a privilege and not a right. This privilege must be forfeited by any student who does not conform to the school's standards of conduct and/or who is unwilling to adjust to our environment.

All students must be convinced that they want to attend Immanuel Schools and agree to honestly and wholeheartedly apply themselves to "study to show [themselves] approved unto God." (2 Timothy 2:15, KJV). They must also agree to be courteous and respectful to their peers, staff, faculty, and other daily associates.

Immanuel Schools admits students of any race, color, and national and ethnic origins to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, and national and ethnic origin in admissions policies, scholarship programs, or athletic and other school-administered programs. Immanuel Schools reserves the right to select students on the basis of academic performance, religious commitment, lifestyle choices, and personal qualifications including a willingness to cooperate with Immanuel Schools' administration and to abide by its policies. All students must read, understand, and adhere to Immanuel Schools' mission statement, philosophy, guiding principles, and Confession of Faith.

Biblical-Morality Policy

Immanuel Schools' Biblical role is to work in conjunction with the home to mold students to be Christ-like. Of necessity, this involves the school's understanding and belief of what qualities or characteristics exemplify a Christ-like life. The school reserves the right, in its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student if the atmosphere or conduct within a particular home or the activities of the student are counter to or in opposition of the Biblical lifestyle the school teaches. This includes, but is not necessarily limited to, participating in, supporting, or condoning sexual immorality, homosexual sexual activity, or bisexual activity; promoting such practices; or being unable to support the moral principles of the school (see Leviticus 20:13, Romans 1:27).

Grievance Policy

The Executive Board and the Board reserves the right to refuse an appeal.

2026-2027 Immanuel Schools Financial Agreement

Payment Plan Options

Immanuel Schools has partnered with FACTS Management Company to process tuition billing and payments and facilitate financial aid assessments. Automatic payments are a requirement for financial accounts.

Families who wish to switch to a different payment plan for the upcoming school year must contact the business office prior to July 1.

Annual	Tuition payment is due for all students by July 1st to secure their enrollment.
Semi- Annual	Tuition payment is due for all students by July 1st to secure their enrollment.
Monthly	First month's tuition payment is due for all students by July 1st to secure their enrollment. Families with a monthly payment plan can choose a payment plan that ends in May or *June based on the needs of your budget. <i>*SENIORS (12th grade) must have their accounts paid in full by May 15th.</i>

FACTS payment reminders will be communicated to families based on their correspondence choices. Please choose the correspondence method that best suits your lifestyle (email, text message or both). **A \$25 late fee will be charged on all late payments.**

Delinquent Accounts / Collections

In the event that an account becomes past due, the account holder will be contacted by FACTS management. If the account is still past due after three more payment draft attempts, the account holder will be contacted by the business office in an effort to:

- Bring the account current by accepting another form of payment in the office •
- Review the account issues and create a special payment agreement

Failure to comply with one of these options, shall at the election of Immanuel Schools, result in the interruption of the student's education, which may include without limitation; termination of the student's attendance at Immanuel Schools, restricting the student from final exams, grades not being released or the student being prohibited from reenrollment. Delinquent accounts may

be transferred to a third party collection entity. The cost of collection, including reasonable attorney fees shall be paid by the delinquent account holder.

Late Enrollment

A student who enrolls after the start of school (September or later) shall pay the full amount of tuition due for that month if their start date is anytime between the 1st through the 15th of that month.

A student who enrolls after the start of school (September or later) shall pay one half the amount of tuition due for that month if their start date is anytime between the 16th through the last day of that month.

The full amount of tuition, regardless of the start date, is due for a student who enrolls in August. **Early**

Withdrawal

A student who withdraws prior to the first day of school will receive a full refund of paid bus fees and a **refund of paid tuition less an administrative fee equal to one month's tuition.**

A student who withdraws before the end of the school year will be charged tuition and bus fees (if enrolled in bus service) for the full month of their last day attending. Tuition and bus fees for the subsequent months of that school year will be reversed/refunded. Incidental fees will not be reversed/refunded.

EMERGENCY DRILLS

Lock Down Drills, Earthquake Drills, and Fire Drills

- Lock Down Drills are held periodically during the school year. These drills are designed to help staff and students become skilled at moving to a locked and secure location within seconds in the event of an emergency. Lock Down is designed to protect our students from unwanted visitors on campus or from any activity in the surrounding neighborhoods that is potentially dangerous to our students. Instructions and directions for what to do during a lockdown are in each classroom and building on campus and will be explained in each class at the beginning of the school year.
- Instructions and directions for Fire and Earthquake Drills will be explained in each class at the beginning of the school year. Emergency and Fire Evacuation Maps are located by each classroom door.
- In recognition of the seriousness of all drills the students are expected to refrain from inappropriate behavior throughout the exercise.

PARENT VOLUNTEERS

Parent volunteers are appreciated and welcome on campus. We require that all visitors/volunteers adhere to our school dress code and professional confidentiality of school matters need to be followed. Please avoid making calls on a cell phone while in the classroom setting.

Parent volunteers should check with the assigned teacher or staff member for specific duties and responsibilities and ***must*** sign in and out of the elementary office. They will be given a visitors badge upon sign-in and are to report directly to their assigned duty or classroom. Parent volunteers are important to our school and our desire is to use the serving gifts of parents to enrich the lives of our children.

THE ROLE OF PARENT VOLUNTEERS IN THE CLASSROOM

As primary educators, parents make valuable contributions to your child's classroom experience. In many classrooms, teachers request parent involvement such as working with the students in small groups, providing help to individual students, preparing materials for student activities and/or attending field trips. All involvement is at the discretion of the teacher and should support the teacher in a manner that provides help in the guidance of instructional practices in the classroom.

Parents should not take initiative to interact with students, including your own child, during classroom instruction as this interrupts the learning environment. If you need to speak with your child during class time, please make arrangements through the office to have the child pulled out of the classroom to avoid instructional disruption. We also ask that on-campus and field trip volunteers make arrangements for younger siblings prior to the volunteer activity.

It is the teacher's responsibility to manage guests in the classroom to ensure the classroom environment remains positive. Each teacher has the responsibility for directing and authorizing all activities in their classroom, including all disciplinary actions. Teachers are asked to be very specific about the role of the parent during each class session to maximize the efficiency in the classroom. A teacher's need for help may change during the classroom visit.

At times, parents are present during recess, lunchtime, classroom outdoor activities or field trips. As in the classroom, teachers and school personnel are responsible for these activities. Should you have a question or concern regarding an activity, please bring it immediately to the attention of the staff member present. It is important not to interact with the students without staff permission.

CLASSROOM OBSERVATION

Parents may make prior arrangements through the school office/administration to observe in the classrooms. Please be sure to check in at the office and receive a visitors badge that is to be worn during the entire time you are on campus.

VISITORS

Prospective students accompanied by a parent are welcome to visit the elementary school. Please set up an appointment in advance with the admissions office. A campus tour can also be arranged.

MORNING DROP OFF/AFTERNOON PICK-UP/PARKING

Buses will drop students off every morning on Hope Ave. at the southernmost gate by the playground. A staff member will be stationed at the gate as students enter. Parents who drop off their students may utilize the Hope Ave. Driveline (Zone 1), the Front Office Driveline (Zone 2), or may park and walk their child into the office or up to the side office gate. Other than the first day of school, parents are not allowed to enter into the elementary campus and walk their students to their morning lineup area. All visitors must check in through the front office.

AFTERNOON DRIVELINE ZONE 1- GRADES 2-6: HOPE DRIVE LANE

Upon entering Hope street from the North, drive past the Immanuel parking lot entrance on the right, and head to the drive lane entrance. A staff member will scan your school-issued placard into our app. Please ensure that your placard is visible. This will signal the classroom teachers to send your child(ren) outside to the correct zone. When entering the drive lane, please stay along the curb on the right, so vehicles that have children loaded can exit utilizing the left side.

AFTERNOON DRIVELINE ZONE 2- Grades K-1 & SIBLINGS: FRONT OFFICE BUS LANE

Upon entering Hope street from the North, drive to the Immanuel parking lot entrance on the right and turn in. If you reach this lane, you have gone too far. As you enter Zone 2, a staff member will scan your school-issued placard into our app. They will then usher your vehicle to the left, towards our new portable wing by the 2-6th grade classrooms. **For after school pick-up only, we will reverse the flow of traffic through our bus drop-off lane.** Instead of vehicles facing East, they will drive along the bus lane facing West, so that Driveline Zone 2 cars can pick up students in front of the elementary office and exit our campus onto Reed Ave.

TRANSPORTATION CHANGES THROUGH SCHOOLPASS

It is important to notify the elementary office regarding any after school transportation changes for your student. This can be done by entering these changes into the “Notation” portion of the “Early Dismissal” section of the SchoolPass app, or by calling or emailing the office. If no communication is received from a parent or guardian, the office will proceed with the transportation mode/process your child regularly follows (a student verbally telling a teacher of a change is insufficient). Please do your best to make these changes as early in the day as possible, but by no later than 2:00pm.

VISITOR PARKING DURING SCHOOL HOURS

- Black lines - Student parking (These spots can be used by parents/visitors if unused after school starts)
- Yellow lines - Staff parking
- White lines - Parent/visitor parking

All visitors **MUST** check in at the office. Please do not park on Hope Avenue or in designated handicap spaces unless you have a handicap permit.

LUNCH AND OTHER ITEM DROP OFF

If you need to drop off a lunch or other item for your child, please bring the item to the elementary office. The item will be delivered to your child.

MEDICATION

Parents must complete a Medication At School Form (available in the office) for any medications that are to be given to a child at school. In addition, if the medication is a prescription, a physician's signature and original prescription bottle is required. The Medication At School Form does not need to be filled out for medications previously approved by a parent in FACTS (ibuprofen, tylenol, etc.).

We reserve the right to refuse distribution of a medicine or procedure. If at all possible, please limit the medications that you ask the school to administer. For example, if medications can be administered by a parent before or after school instead of in the office, it would be greatly appreciated.

FIELD TRIPS

All classes may take two to three field trips per year. Most field trip costs are covered by the Student Activity Fee for students. There may be additional costs for adults when accompanying students to cover transportation and entrance fees. Parental permission will be required. Transportation to field trips will usually be by bus. Non-school aged siblings are not permitted to ride school transportation and may only attend field trips if special arrangements are made in advance with the teacher, pending administration approval. School aged siblings may attend their own grade level field trips, but are not permitted to attend field trips of their siblings.

LOST AND FOUND

Please label your child's jackets, sweaters, lunch boxes, and backpacks with a permanent marker. When items are left on the playground, they will be placed in the lost and found. Items unclaimed will be donated to a local charity.

PARENT TEACHER FELLOWSHIP (PTF)

Purpose of the PTF:

The purpose of this committee shall be to promote the welfare of the child in the home, school, church, and community, by providing an organizational structure through which parents, teachers, staff, and administrators of Immanuel Schools can work together to strengthen and enhance the spiritual and educational objectives of the school.

Goals of PTF:

1. To develop and implement an annual program of fund-raising to assist the overall school program.
2. To provide a support system to the classroom teacher through the organization of room parents.
3. To uphold the school in prayer.
4. To lend support as appropriate in a variety of situations such as transportation, parties, field trips, etc.

The PTF meets on the second Tuesday of every month at 6 p.m. in the HS/JH cafeteria (Ed's Place).

It is the desire of the PTF executive committee to provide opportunities for anyone interested to become actively involved in the projects and activities of the year. Forms are available to indicate your interests, abilities, and availability. For further information about how to become active in the PTF, please call the office. We need you and would love your involvement.

IMMANUEL SCHOOLS

PARENT PLEDGE OF SUPPORT

1. We have read, understand, and adhere to Immanuel Schools' mission statement, philosophy, guiding principles, and Confession of faith.
2. We do hereby state that we have made a thorough investigation of the school's program, curriculum, discipline, dress code, etc., and we agree to positively support the coming school year.
3. We understand that we have an obligation to be actively involved in the education of our children. We agree to uphold and support the high academic and moral/Christian behavior standards of the school and to give our child encouragement in the completion of all assignments.
4. We agree to share any complaints or negative comments only with the people involved. Unresolved issues will be taken care of by using the school's chain-of-command.
5. We understand that the standards of Immanuel Schools do not tolerate profanity, obscenity in word or action, disrespect to the personnel of the school, or continued disobedience to the established policies of the school (see Parent/Student Handbook) and that any of these offenses may result in student dismissal.
6. We understand that we are responsible for any assessments made to cover damages to the school, including book damage or property damage.
7. We will support the school by involvement in Parent-Teacher Conferences, Open House, and other school-sponsored meetings and activities.
8. We agree to pay all legal and court costs if we feel it necessary to bring legal action against the school and lose the court decision.
9. We understand that failure of the parents or child to comply with the established regulations, discipline, and parental commitment, will forfeit the student's privilege of attending Immanuel Schools.
10. We consent for Immanuel Schools to:
 - ☐ Use images of my child in promotional materials for the school.
 - ☐ Release copies of academic documents, such as transcripts for college admission purposes and scholarship opportunities; release senior social security numbers and grade point averages for Cal Grant application purposes.

We understand and agree to follow the policies and fulfill our financial commitment to pay in full the educational services the school is providing for our child (ren). We do further agree to keep our account current or notify the Business Office Manager of any financial problems making payment difficult. We are aware that if our account is not current, it may jeopardize our child (ren)'s attendance at Immanuel.

GUIDING PRINCIPLES

Immanuel is a unique Christian School. The guiding principles of the school are found in God's Word. Colossians 3:1-17 contains excellent instruction in daily living. Hebrews 13:17 is clear concerning each person's responsibility. Behavior which is not pleasing to God is subject to corrective counseling and, if necessary, to discipline. Upon admission, prior to 7th grade, and prior to 9th grade, parents and students sign a Pledge of Support committing themselves to abide by Immanuel Schools' policies and procedures.

Students are reminded to respect spiritual principles, the government, Bible, Christian and American flags, teachers and other school employees, school property, fellow students, and the rights of others.

The administration may request the withdrawal of any student who is undermining, by his/her attitude or actions, the principles of Christian education which Immanuel stands for, whether or not he/she conforms to specific regulations.

RESTORATIVE DISCIPLINE

History

During the fall semester of 2005, seeking to develop a new discipline system at Immanuel Schools, administration was trained in classroom conflict management and peer mediation at Fresno Pacific University. Out of that training came the guidelines and procedures for our discipline process (Restorative Discipline).

The name Restorative Discipline is used to highlight the intended purpose, which is to encourage students and others in the school community to go to each other in time of conflict and resolve their differences.

We believe that this process will enhance the academic purpose and atmosphere of the campus both educationally and developmentally. The process will enhance maturity and at the same time provide students with the opportunity to learn from their mistakes. It will also provide the opportunity for reconciliation of those who have been injured or estranged. It will enable the restoration of an individual to his/her place in the community. It will encourage students to take responsibility by holding them accountable for their own actions, including making restitution for damages.

One of the aims of Immanuel Schools is that all members strive to voluntarily and consciously experience and nurture right relationships with God and with others as reflected in our mission statement. This requires a lifestyle of Christian discipline through accountability, which begins with self-examination and self-control, and includes personal and communal responsibility. Discipline at Immanuel, then, is an expression of the practice of community. Discipline is expressed with a "centered" instead of a "bounded" perspective. The "centered" approach focuses on Christ as the perfect role model demonstrating how we are to live with and relate to each other - the "do's." Primary attention is focused on the center, on becoming more Christ-like.

By contrast, a "bounded" approach focuses on external rules and regulations - the "don'ts." Primary emphasis is on what shouldn't be done and avoiding misbehavior. Discipline is understood as training that molds or perfects one toward reflecting the likeness of Christ. Discipline provides both accountability and encouragement. Although the primary focus for discipline is "centered" it does recognize boundaries.

These boundaries help the individual become aware of when she/he may not be in right relationship with standards established by and for the community. Immanuel Schools has agreed on a set of lifestyle standards that reflect its understanding of Biblically-directed behavior. Immanuel seeks to provide opportunities for personal and social growth and development within the context of Christian community.

Discipline is viewed as a means of encouraging individuals and groups to be accountable to the stated objectives of the school community and to each other. Students may choose to attend Immanuel Schools without making a commitment to Christ. However, the choice to attend is subject to the student's willingness to function within the guidelines and lifestyle standards established by the School's Board of Trustees. "Restorative Discipline" has been adopted as that accountability system.

Christian Life and Behavioral Expectations

Immanuel Schools is a Christ-based educational community in which the faculty, staff, and most students share a commitment to Christ and the life of Christian discipleship. Immanuel believes that the total welfare of people is of paramount concern. It seeks to respect the dignity, worth, and individuality of each person within the school community. Yet, it recognizes that in order to maintain community, occasionally it becomes necessary to subordinate individuality for the sake of community.

As a Christian school system, Immanuel values community and seeks to integrate faith and learning, reflection and action. Community implies a sense of care and concern for one another. Within community, interpersonal relationships are part of the learning process. Community assumes that individuals will become more responsible for, and accountable to, one another. As they do, they are better able to understand themselves and make thoughtful commitments to God, the church, and the world. In choosing to attend Immanuel, one chooses to participate in this experience of community. The quality of human relationship and the sense of mutual care for one another should be the dominant emphasis of life together within the school community. Community needs to be understood both in the smaller, as well as in its larger contexts. An emphasis on witness and service becomes the foundation of the educational program and its implementation. As a school system rooted in the Mennonite Brethren tradition, Immanuel Schools is committed to creating and sustaining an environment that facilitates not only academic development, but also the personal, social, and spiritual development of its members for the glory of God. This is our commitment as we follow Christ. It compels us to do so with excellence.

The rules of any community grow out of a particular tradition. Immanuel Schools is firmly rooted in the Mennonite Brethren Church tradition. This tradition holds in high esteem the following characteristics:

- peace and justice;
- modest dress;
- thoughtfulness in social relationships and entertainment;
- honesty;
- respect of the rights, opinions, and property of others;
- respect for and obedience to the laws of the state;
- willingness to do good in every situation.

Within the Christian community it is important to "pursue what makes for peace and for mutual up-building" (Romans 14:19). One must be careful not to be a hindrance to a fellow Christian in one's attitude and action. Recognizing that its students are at various stages of maturity in their faith, Immanuel Schools strives to provide an atmosphere which will be conducive to spiritual growth for all. This environment thrives when one considers not only one's own interests, but also the interests of others. Christians are not only to avoid endangering the spiritual lives of fellow Christians, but are also

specifically instructed to encourage one another in the faith and to bear one another's burdens. The spirit of Christ is one of concern for and service to others.

In light of scriptural teachings and Mennonite Brethren faith tradition, Immanuel Schools has adopted a set of expectations. These standards help create an environment that promotes the social, academic, and spiritual welfare of the members of the school community. Immanuel Schools expects:

- That all members of the school community will seek to live in conformity to the pattern of life established by the Lord Jesus Christ. This pattern is best expressed by Jesus' command to love God, neighbor, and self.
- That all members of the school community will accept the responsibilities of a Christian campus community, which includes abiding by the standards and policies of Immanuel Schools.
- All members of the Immanuel Schools community are expected to conduct themselves in a manner that is consistent with the goals of the institution and demonstrate respect for self and others.
- All Immanuel students are expected to adhere to the same high standard of conduct and behavior that reflect well upon the school community and are consistent with the students' developing role as responsible and accountable citizens of the world.

Immanuel School Community Standards

All students are therefore expected to abide by the following standards:

- The school recognizes that the use of tobacco products and alcoholic beverages presents a danger to personal health and, therefore, it strongly discourages members of the community from using them. No member of the community may use or possess tobacco, alcohol, or illegal drug products on campus. This also includes any event that is school sponsored on or off campus. Being on campus under the influence of alcohol or illegal drugs will result in disciplinary action. Immanuel is a drug-free environment.
- Exercise wholesome thought and speech patterns (use of profanity and coarse joking, particularly that which is degrading to gender, ethnicity and/or people groups, is not acceptable).
- Use discretion in dating practices, public and private. Students are encouraged to build balanced, healthy, Christ-centered relationships. Immanuel Schools is opposed to homosexual and premarital sexual relations.
- In an effort to minimize awkward situations, and to protect their personal relationships, students are expected to refrain from inappropriate or lingering public displays of affection or confrontation.
- In an effort to be supportive of individuals for whom it is a matter of conscience, students are expected to exercise discretion in their selection of reading materials and the use of electronic / digital devices, internet activity, social media and entertainment.
- Student attire should be appropriate, modest, and non-provocative in style.
- Attend classes regularly and conscientiously.
- Refrain from gossip and backbiting.

Restorative Discipline Policy

Mission Statement

Immanuel Schools is committed to honoring God by dealing with all violations and offenses through holding students accountable to the community for their behavior in ways that recognize and protect dignity, promote personal growth and maturity, and encourage reconciliation and restoration. Discipline at Immanuel is an expression of the practice of community. It is expressed through a "centered" perspective in which the focus is on the values and behavior Jesus demonstrated and emphasized rather than a "bounded" perspective built on rules and regulations. Our goal is to become more Christ-like in our own thoughts, behaviors, and interactions. Discipline is understood as training that molds or perfects one toward reflecting the likeness of Christ, providing both accountability and encouragement. Students are

encouraged to remember that, since the relationships of the community have priority, discipline is a process of mutual accountability with the goal of restoration and reconciliation and should be a way of living and relating that often begins even before any specific standards have been violated or "rules" actually broken.

¹⁵If your brother or sister sins against you, go and show him or her their fault, just between the two of you. If he or she listens to you, you have won your brother or sister over. ¹⁶But if he or she will not listen, take one or two others along, so that 'every matter may be established by the testimony of two or three witnesses.' ¹⁷If he or she refuses to listen to them, tell it to the church; and if he or she refuses to listen even to the church, treat him or her as you would a pagan or a tax collector. Matthew 18: 15-17 (NIV paraphrased)

When community relationships are damaged by conduct that is inconsistent with the behavioral standards and/ or expectations of the campus community, students are encouraged to seek resolution through "informal" cooperative methods. The formal discipline process starts when a report is filed indicating that a student has violated a rule or standard. Confronting and resolving conflict is normal and expected. Many minor violations can be resolved informally by listening to each other and negotiating resolutions or seeking the help of mediators. We believe that violations of our adopted standards, rules and policies, can be resolved in ways that are constructive and restorative for all involved. We recognize that there is danger and opportunity in each violation. The danger is that the people directly involved and others in the community respond in ways that cause everyone to emerge from the response further alienated, more damaged, disrespected, disempowered, and less cooperative with each other and the community. The opportunity is that the violation and its harms can be recognized; agreements can be made to restore equity as much as possible, to create a safe and respectful future, and to arrange for follow-up accountability meetings that will encourage and support keeping the agreements. We believe that trust will grow when constructive agreements are made and kept, even where trust did not exist before.

We prefer to accomplish this kind of discipline as much as possible utilizing cooperative structures of informal discussion, mediation, or conferencing. We also recognize that there will be times when a person feels wrongly accused, is unwilling to enter a cooperative process, or agreement cannot be reached through a cooperative process. In those cases a restorative authority structure is designed to resolve the issues. The actions of these authorities and the consequences imposed will be guided and tested by whether they are respectful, restorative, reasonable, and, as much as possible, intended to reintegrate those who were harmed by the violation.

Since our community values both freedom and responsibility, some conflicts or violations are normal, inevitable, and expected. When all parties respond in ways that are respectful and constructive, it can be very stimulating and helpful in clarifying standards, rules, and values. We do not have to agree on everything in order to live and study together in a supportive, respectful, and civil environment.

Immanuel Schools is committed to a student discipline process that is fair, restorative, and consistent with the Anabaptist/Christian/Biblical emphasis on justice and peacemaking. The goal is to create a just and peaceful environment based on the value of right and respectful relationships rather than on fear of punishment. We believe that in this safe environment, disagreements can be vigorously debated and discussed in an atmosphere of trust and respect.

Restorative Discipline Goals

God has called us into community, a network of mutually caring and uplifting relationships patterned after the example given to us by Jesus Christ. Recognizing that we who are involved in community are

imperfect people influenced by an imperfect world, student discipline at Immanuel is intended to be a process that:

1. Is fair and just.
2. Will enhance the academic purpose and atmosphere of the campus.
3. Is educational and developmental for the students involved, encouraging student maturity by providing students with the opportunity to learn from their mistakes.
4. Provides opportunity for reconciliation of those who have been harmed or estranged, enabling the restoration of an individual to his or her place in the community.
5. Encourages student responsibility by holding them accountable for their own actions including making restitution for damages.
6. Enhances the atmosphere of safety and well-being on campus.

Restorative Discipline Options

The Restorative Discipline program is designed to provide students and other community members of Immanuel Schools with two main options to consider when they are in conflict with each other:

Informal Option: At this stage, the program provides students the "Informal Process." As in Matthew 18:15, all are encouraged to go to each other directly to resolve issues and repair damages as much as possible. Coaching and informal mediators are available through administration, counselor, Campus Pastor, faculty, and staff.

Formal Option: This stage consists of four sequential steps. The first step of the formal process begins with the parties involved attempting to recognize the problem, repair the damage, and make agreements to prevent the problem in the future. If resolution is not achieved at this level, the second step involves meeting with the counseling department for further exploration of and reflection on the conflict to encourage willingness to seek a cooperative and restorative solution. If a satisfactory solution is not reached at this point, the process continues to the third step, a family conference that brings students, family, and school personnel together to search for an agreement that is reasonable, respectful, and restorative. If offenders are not cooperative or if agreements have not been kept after this step, the process culminates in the fourth and final step, the initiation of the School Authority Structure. **This step could result in expulsion for students who refuse to be restored to good standing in the school community.**

Students, at any time, can refuse the Restorative Discipline process and move immediately to the School Authority Structure for judgment and appropriate punitive consequences. Serious situations involving concerns for student safety will be acted upon immediately by the appropriate authorities.

Informal Option: Informal and Cooperative Restorative Procedures

When conflict has developed between members of the school community or when one has actually committed a minor violation of a standard, rule, or policy, both the offender and offended, when appropriate, are encouraged to seek out the other. Those who have been impacted by the offense or violation are to acknowledge the harm, create agreements to restore equity, develop a plan to make things as right as possible, and plan follow-up meetings to support the agreements and prevent reoccurrence.

When one experiences a conflict or observes a minor violation of a standard, rule, or policy the "observer" has the opportunity to follow the pattern of Matthew 18. Step 1 allows and encourages the observer to confront the offender with an intention of being constructive. The "observer" should ask the offender if he/she is willing to discuss the situation constructively. If so, the observer describes his/her experience. If they really hear each other, the likelihood of deciding on constructive ways to reconcile the harm created by the violation is very high. If all agree that the violation has been recognized and agreements are in

place to restore equity and clarify the future, and if the agreements are kept, forgiveness will be discovered and the situation will be resolved.

Informal and Cooperative Resolution Summary

When appropriate to confront directly, or if the violation is minor with minimal impact, the offender or observer may initiate the process for reconciliation to:

- Invite a cooperative discussion/process
- Recognize the observations, experiences, violations, and harmful behavior
- Repair the harm or restore equity as much as possible
- Remember admission/respect agreements
- Create a plan to modify behavior and prevent reoccurrence

The school can provide coaching or mediators to assist parties in informally addressing conflict and offenses. This precursor of the Restorative Discipline process is and must always be voluntary. The parties involved must be willing to enter this cooperative process and work to develop a constructive outcome.

Formal Option: Discipline that Restores Procedures

In cases of standards violations, if any of the involved parties are unwilling to engage this informal cooperative process, if agreements cannot be reached that satisfy all of the involved parties, if the student does not modify his/her behavior, or the violation is considered more serious, then a report is to be filed with the Principal, Counseling Department, or Faculty. This report will signal that the situation is entering the formal Restorative Discipline process.

STEP 1: Teacher/Student Reminders and Teacher/Student Meeting

- The student is made aware of his/her disruptive behavior.
- The student is invited to modify his/her behavior.
- The student is reminded of the respect agreement.
- The student who modifies his/her behavior is encouraged and supported.
- If misbehavior continues, proceed to Teacher/Student Meeting.

Student/Teacher Meeting

- The student is made aware of his/her disruptive behavior.
- The student is asked if he/she would be willing to try to resolve the problem cooperatively.
- The student and teacher each describe the problem, listen to and summarize each other, and make agreements on how to prevent the problem in the future.
- Follow-up meetings are scheduled to make sure the agreements are being kept.
- The student who modifies his/her behavior is encouraged and supported.
- If the student does not modify his/her behavior or keep agreements, proceed to Step 2.

STEP 2: Student/Mediator Meeting

- The student who refuses to resolve the problem cooperatively is sent to a mediator.
- The student is asked to think about what happened by writing or talking about what happened. The mediator listens to and summarizes the students' concerns.
- The student is invited to reconsider working cooperatively with the teacher.
- A plan is developed to present to the teacher in a Step 1 Student/Teacher meeting.
- If the student is uncooperative, proceed to Step 3.

STEP 3: Parent Contact/Family Group Meeting

- If the misbehavior is a serious concern or if the student refuses to resolve the problem cooperatively, parents are contacted. Parents are invited to help their student consider resolving the

problem cooperatively with them present. At this meeting the group writes and signs agreements made to resolve the problem.

- Follow-up meetings are held to assess if the agreements are working.
- If agreements are not being kept, proceed to Step 4.

STEP 4: School Authority

- The behavior, the respect violation, and the rule violation are reviewed.
- The reason behind the rule is explained.
- The administration informs what consequences must be imposed.

POLICIES OF NONDISCRIMINATION

Bullying Prevention Policy

Immanuel Schools believes that all students have a right to a safe and healthy school environment. The district has an obligation to promote mutual respect, tolerance, and acceptance.

Immanuel Schools will not tolerate behavior that infringes on the safety of any student. A student shall not intimidate, harass, or bully another student through words or actions. Such behavior includes: direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling, cyber-bullying; and social isolation or manipulation.

Immanuel Schools expects students and/or staff to immediately report incidents of bullying to the principal or designee. Staff who witness such acts take immediate steps to intervene when safe to do so. Each complaint of bullying should be promptly investigated. This policy applies to students on school grounds, while traveling to and from school or a school-sponsored activity, during the lunch period, whether on or off campus, and during a school-sponsored activity.

Teachers should discuss this policy with their students in age-appropriate ways and should assure them that they need not endure any form of bullying. Students who bully are in violation of this policy and are subject to disciplinary action up to and including expulsion.

The Student Code of Conduct includes, but is not limited to:

- Any student who engages in bullying may be subject to disciplinary action up to and including expulsion.
- Students are expected to immediately report incidents of bullying to the principal or designee.
- Students can rely on staff to promptly investigate each complaint of bullying in a thorough and confidential manner.
- If the complainant student or the parent of the student feels that appropriate resolution of the investigation or complaint has not been reached, the student or the parent of the student should contact the principal.
- The school system prohibits retaliatory behavior against any complainant or any participant in the complaints process.

Sexual Harassment

Sexual harassment is the use of sexuality to harass and is best seen as an assertion of power. Sexual harassment, for the purposes of this handbook, may include but is not limited to:

- Physical assault including rape or any coerced sexual relationship.

- Pressure exerted on either an adult or student for sexual activity or for a relationship that takes on a sexual or romantic coloring which exceeds the limit of friendly relationship; any demeaning or repeated unwanted sexual propositions, unwelcome touching; leering at or ogling a person's body.
- Sexually explicit or suggestive remarks about a person's physical attributes, clothing, or behavior; sexually stereotyped or sexually charged insults, humor, or verbal abuse; and inappropriate verbal questions.

Members of the Immanuel Schools community are encouraged to report any incident to a person of authority, such as a faculty member, counselor, or an administrator. All persons in the Immanuel Schools community are obliged to take each instance seriously and inform school authorities.

SUSPECTED CHILD ABUSE POLICY

The employees and volunteers of Immanuel Schools comply with the reporting requirements of California's Child Abuse Reporting Law. Immanuel Schools will immediately report any known or reasonably suspected incidents of child abuse to the appropriate child protection agency.

ATTENDANCE POLICY

Parent support is essential in the matter of attendance. There is a positive correlation between school attendance and good academic achievement. The activities of the classroom, including student discussion and participation and teacher lecture and comments, are of vital importance and cannot ever be adequately made up by a student. Attendance corresponds directly to the attainment of education goals. Also, parents have a legal responsibility to see that their student attends school regularly. Please read the following attendance guidelines carefully.

Illness Protocol

- If students are ill or have new or worsening symptoms
 - stay home; you can return after 24 hours (non-medicated) symptom free
- Absence policy practices
 - Pick up missed class work as often as possible (or request to have it sent home with a sibling). Communicate with your child's teacher.

Absences

When it is necessary for a student to miss school, the following steps should be followed:

- Call the school office, (559) 638-2520, to notify the school of the student's absence and the reason for the absence. **This call must be made by a parent or guardian, not by a sibling, by 9:00 am.**
- If the absence was cleared by a previous phone call, no note is necessary. If no phone call was made to the school, a note giving the reason for and the date of the absence must be presented to the school office upon returning to school. Please send notes from the doctor when applicable, especially if there are instructions for modified activity.
- An absence must be cleared with a phone call or note within one day of the students return to school. After one day the absence may be marked as "unexcused".
- Immanuel does not provide an independent studies program. A student with an extended illness may be asked to withdraw from Immanuel Schools. Each student's situation will be reviewed on a case-by-case basis.

- **Pre-Arranged Absence:** It is the parents' responsibility to communicate prearranged absences with classroom teachers as far in advance as possible. Make-up work will be assigned at the discretion of the teacher and work is due one week after the return of the absence.
- **Events and Participation:** In the event that a student is ill or injured and unable to arrive at school to attend at least half of the school day (2.5 hrs), or the student leaves early at any time due to illness or unexcused reasons, then the student may not participate in school events on the day of their absence. These events include: plays, artisan market, performances, sports, etc.
- **P.E. Excuse:** If your student needs to be excused from P.E. for any reason, a note or call to the office is required. If your student needs to miss three or more days a doctor's note is required.
- **Release of child(ren) during school hours:** ***Under no circumstances should a child leave the campus during the school day without proper permission.*** When it is necessary to pick up your child during the school day, it is the parents' responsibility to go through the elementary office to sign out your child. DO NOT go directly to the classroom. The office staff will make arrangements and release your child from class. Please use the same procedure when taking your child off campus for lunch. In case of an emergency, we must be able to account for every child at all times. A child will not be released to anyone except those listed on the emergency card or those designated by the parent through our school office.

Excessive Absence Policy: In the event a student obtains a high number of absences over the course of a school year, it will result in the following steps.

- 20 absences - Mandatory parent meeting with administration to discuss reasons for the absences, the importance of consistent attendance, how it might be affecting the student's learning, and what can be done to ensure improved attendance moving forward.
- 30 absences - Student is put on an attendance contract for the remainder of the school year. Improvement must be displayed for privileges to not be affected (ex: field trip or special event participation).
- 40 absences - Parent-Administrator meeting will be held to determine promotion and/or re-enrollment status.

Tardiness

Promptness to school/class, like regular attendance, is important to success. A tardy is defined as not being in the designated area (morning lineup or classroom) when the bell rings. All tardies are marked and tracked through our FACTS SIS attendance system. ***Please call the school office before 9:00 a.m. if your child is going to be tardy, but will be ordering a hot lunch.***

Excessive Tardy Policy: In the event a student/family obtains a high number of tardies over the course of the school year (based on discretion of administration), the following actions may be taken:

- Parent meeting with administration to discuss need for improvement
- Attendance contract implemented to help set goals and maintain accountability
- Re-enrollment status put on hold until improvement can be displayed

HEALTH AND HYGIENE

In situations where the nature of dress and hygiene is not specifically covered in a detailed manner, the administration reserves the right to use its discretion in determining the appropriateness of the attire or health issue.

If a case of Pediculosis (head lice) is documented the following procedures will be followed:

- The child will be immediately removed from class and contact with other staff and students.
- The parents will be called and the child will be taken home. The child will be excused for one day after the report and documentation of Pediculosis.
- Any absences following this one excused day are unexcused. The child may not be permitted back into school unless cleared through the nurse where there will be a no nit policy.
- If a severe case persists, the child may receive absences due to treatment time excused only with a doctor's documentation or note. The school reserves the right to notify the proper authorities in order to support the best interest of the child.

DRESS AND GROOMING

A neat and properly attired student will have a definite bearing on the atmosphere which is conducive to study and good work in a Christian school. God's Word speaks concerning the importance of the beauty of the inner person rather than an individual's eye-catching outward appearance.

“Don't be concerned about the outward beauty that depends on jewelry, or beautiful clothes, or hair arrangement. Be beautiful inside, in your hearts, with the lasting charm of a gentle and quiet spirit which is so precious to God.” I Peter 3:3-4 (Living Bible)

The purpose of dress regulations is to help each student set a standard for his or her personal appearance that is appropriate within the accepted standards of the Immanuel Schools. Students are expected to demonstrate pride in their personal appearance for it reflects individually on the student and collectively on the school. Daily attire need not be expensive to be attractive and acceptable.

The major responsibility for student appearance rests with the parents. Parents have an obligation to guide the student's selection in proper clothing, makeup, jewelry, and hair style that is within the accepted standards as defined by the Immanuel Schools Dress Code. **Parents must see that their students are dressed appropriately for school.**

DRESS CODE

- All clothing shall be neat, clean, modest, in good repair, and of appropriate size and fit.
- Any clothing containing objectionable words, pictures, or symbols are not allowed. Any lewd or suggestive material must be avoided.
- Skin should not be exposed through garments. Garments should not be see-through or show undergarments. Rip-cut style jeans should only be worn if the rips/holes are no higher than 4” above the knee.
- Halter tops, short crop-tops, low cut tops, spaghetti strap tops, strapless tops, tank tops (boys or girls), backless or sideless tops, bralettes or racer-back tops are not permitted. No bare shoulders. **All tops must have sleeves, without slits, holes, or lace.**
- Skirts or shorts (**girls and boys**) may not be shorter than mid-thigh. No undergarments should show while wearing shorts.

- Leggings/spandex/bicycle shorts are allowed **only when worn under shorts, skirts, or dresses that are mid-thigh or longer. They are not to be worn with t-shirts only.**
- Counter-cultural fads of dress or hairstyles with extreme cuts or unnatural colors must be avoided.
- Exposed body piercings (except pierced ears for girls), facial piercing, or tattoos are not permitted.
- Shoes or sandals must have a closed toe and heel or strap. Slippers are not permitted (unless specified for dress up days).
- Tennis shoes must be worn for PE. Students wearing Crocs, boots, or sandals may not be allowed to participate.
- Hats or caps may not be worn in the chapel.
- Special dress code regulations will be communicated for events such as Homecoming Week, Music Programs, Graduation, etc.

In situations where the nature of dress is not specifically covered in a detailed manner, the administration reserves the right to use its own discretion in determining the appropriateness of the attire. **DESS CODE MUST BE FOLLOWED AT ALL TIMES WHILE ON CAMPUS OR ATTENDING SCHOOL-SPONSORED ACTIVITIES.**

DESS CODE ENFORCEMENT

- Student Dress Code will be monitored by supervision staff, classroom teachers, and administration each day before morning line-up routines begin and/or upon first entering the classroom for the day.
- Students who appear to be out of compliance will be asked to stop by the office where the office staff or administration will make an official determination.
- If a student is found to be out of dress code, every attempt will be made to allow them to correct the infraction (i.e., change of clothes provided by school, tape used to cover inappropriate rips or holes, unrolling of cuffs, etc.)
- If the infraction cannot be corrected, the student or office will call home to request a change of clothes be brought to the school. If this occurs more than once and a parent is unable to bring clothing to school, the student may be asked to remain in the office for the duration of the school day.
- In each instance of dress code violation, an email will be sent home via FACTS SIS in the form of a “Behavior Report Notice”. This allows the school to both communicate effectively as well as track the number of violations each trimester.
- For students who are repeatedly or habitually out of dress code, a parent-administrator meeting will be required and further disciplinary steps may be implemented.

STUDENT TECHNOLOGY CODE OF CONDUCT

Immanuel Schools believe in the educational value of electronic devices/services and recognizes their potential to support our curriculum. Our goal in providing this service is to promote educational excellence by facilitating research, innovation, and communication. Use of electronic devices (including, but not limited to: chromebooks, iPads, laptops) and the internet will be for the purpose of education and research and will support the educational goals and objectives of Immanuel Schools.

As members of a school community and as representatives of their school in the global electronic community, students are expected to abide by Immanuel Schools code of conduct.

1. **Personal Responsibility:** Each student is personally responsible for any misuse of the network and electronic devices. All rules of conduct described in the Immanuel Schools Handbook discipline code apply while using the network and electronic devices.
2. **Acceptable Use:** The following guidelines are to be followed and regarded as acceptable usage.
 - a. Access or transmission of material in violation of any Immanuel Schools' policy is prohibited. This includes, but is not limited to, abusive, threatening, profane or obscene material.
 - b. Immanuel Schools' access may not be used for commercial activities or product advertisement.
 - c. Inappropriate use of electronic information resources can be a violation of local, state, and federal laws, and violators may be prosecuted. This includes, but is not limited to; copyrighted material protected by trade secret.
 - d. Home addresses and phone numbers may not be revealed.
 - e. Immanuel Schools reserves the right to monitor or review activity on electronic devices. This includes, but is not limited to, email sent or received, cache files, student's files, or printed material.
 - f. All files must be approved by the Director of Technology before being installed on any Immanuel Schools' electronic devices.
3. **Vandalism:** Vandalism in the electronic community is any attempt to harm, disrupt, or destroy data of another user or any other agency or network that is connected to the system. This includes, but is not limited to, the uploading, downloading, or creation of computer viruses. Physical vandalism of equipment is also prohibited. Any vandalism will result in the loss of computer services, disciplinary action, and possible legal referral.
4. **Additional Use:** These rules also apply while traveling on Immanuel buses or provided transportation.
5. **Approval:** Before students may use electronic devices or access the Internet the *Student Technology Code of Conduct for Immanuel Schools must be signed by the student and parent/guardian.*

CELL PHONES/SMART WATCHES/ ELECTRONIC DEVICES

At the elementary school, the use of cell phones, smart watches, or other electronic devices before, during, or after school **are not permitted**. If a parent wishes their child to have a phone or smart watch for emergency purposes, they must fill out a *Personal Electronic Device Agreement form* in the office prior to the child having a phone or electronic device at school. **Devices (including smart watches) must be turned off and zipped in their backpack throughout the school day.** If a student has a cell phone or electronic device that has not been cleared through this agreement form, the device will be taken and the parent called. On occasion, electronic devices such as tablets or iPads may be used within the classroom at the discretion of the teacher but a *Personal Electronic Device Agreement form* must be on file. Other electronic devices such as gaming devices are not allowed on campus.

Immanuel Schools reserves the right to search a student's electronic device (iPad, cell phone, laptop, etc.) upon a reasonable suspicion the student has violated the school Code of Conduct or school rules.

Please review and sign the Personal Electronic Device Agreement form on the next page if you plan to send technology with your child to school.

PERSONAL ELECTRONIC DEVICE AGREEMENT

Immanuel Elementary School is pleased to inform you that students in 1st - 6th grades have one-to-one technology in each classroom! This means that each student has access to a chromebook when needed during the school day. Similarly, our kindergarten students have access to iPads for special apps and chromebooks for testing, as needed.

With this in mind, any technology brought from home (cell phones, interactive watches, etc.), may NOT be used before school, during the school day, or after school until a student gets into a vehicle to head home (bus, car, etc.).

Interactive watches (watches that HAVE THE CAPABILITY of playing games, sending emails or texts, receiving or making phone calls, etc.) are **not allowed on campus during the school day**. This includes watches that have a “school setting” that can be enabled or disabled, or have wifi capabilities, even when not connected to school wifi. If you choose to send your child with one, they may wear it for the bus in the morning, then turn it off and zip it in their backpack. They may also power it up and put it on once in a vehicle (car or bus) to head home. Failure to follow these rules will result in the loss of the privilege to bring them at all. Please see the Student Technology Code of Conduct in the Parent/Student Handbook for further details.

Electronic devices may be used during daily bus routes at the discretion of the bus driver. **Devices may NOT be shared or passed from student to student on the bus.** Because district wifi is not accessible on school buses, parents are responsible to put proper parental controls and/or internet filters on each electronic device in agreement with the Student Technology Code of Conduct in our Parent/Student Handbook. Failure to have these filters in place or follow these rules will result in the loss of the privilege. **A parent signature below indicates that your child’s electronic device(s) has proper parental controls and/or internet filters in place. It also lets us know that parents understand and agree to school policies regarding any technology brought from home. This form MUST be signed for students to be allowed to bring personal electronic devices in their backpack.**

If the personal electronic device is lost or stolen, it is not the responsibility of the school to replace or repair the phone or watch; it is the parent’s choice to send it with their child to school.

BUS RULES FOR PASSENGERS

A. Boarding the Bus

1. Help keep the bus on schedule. **Be on time** (5 minutes early).
2. Be careful when approaching the bus stop; walk on the left facing oncoming traffic.
3. School buses will stop to load or discharge students at designated stops only. Stand back away from the bus as it approaches your stop.
4. Watch your step getting on and off the bus. Always use the handrail.
5. Parental permission is required when any student wants to disembark at a stop other than his/her normal stop.
 - a. Students will present a note from a parent at the school office. A permit will be issued by the office for the student to present to the driver.
 - b. If a student does not ordinarily ride the bus, a fee of \$5.00 is charged for riding the bus. This must also be cleared through the school office and a permit will be issued for the student to present to the driver.
6. Take your seat quickly on the bus without disturbing or crowding others. Remain seated, do not lie down, and always face forward.
7. The front section of the bus is reserved for younger students.

B. Respect for Driver

1. Obey the driver promptly and cheerfully; they are responsible for your safety.
2. The bus driver is in charge at all times, even when there is a coach or teacher on board.
3. The bus driver will follow Restorative Discipline steps if conflicts take place.

C. General Conduct on Buses

1. **All school rules and policies apply while riding a school bus.** See Parent/Student Handbook, Student Technology Code of Conduct, and Personal Electronic Device.
2. Windows are for light, ventilation, and vision. No part of the body should be extended through the window at any time.
3. Help keep the bus clean and sanitary. Eating will be left to the discretion of the driver. **Absolutely no seeds, peanuts, suckers, food on a stick or drinks will be allowed.**
4. All emergency exits are to be kept clear at all times. These are to be used **ONLY** in the case of an emergency.
5. Electronic and Media devices may only be used with earbuds or headphones and are for personal use. Devices may not be shared with other students and fall under the guidelines agreed to in the Student Technology Code of Conduct and Personal Electronic Device Agreement.
6. All musical instruments are to be kept in the under bus storage or under the seats leaving the walkway clear at all times.
7. Travel bags or such items are to be kept under the seats leaving the walkway clear at all times.
8. Aerosol spray is not to be used on buses at any time.
9. Be careful in handling sharp or pointed objects while the bus is in motion. A sudden stop could cause injury with the objects.
10. Riders wearing roller blades or athletic footwear with cleats or spikes will not be permitted to board the bus.
11. **Rides will be responsible to pay for any damages that they may have caused.**

Any violation of the above stated passenger conduct will be reported to Administration and may jeopardize your bus riding privileges

D. VIOLATION OF BUS RULES

Students who are in violation of bus rules and expectations as outlined above will be subject to the following process:

1st Infraction - Student will be issued a verbal warning by the bus driver, using the restorative process to apologize and make it right with the bus driver and other students as necessary.

2nd Infraction - Student will be issued a second warning by the bus driver. Incident will be reported to the Transportation Manager and site Administrator, and parents will be contacted by the bus driver to discuss the student's behavior and encourage support and improvement.

Consequences may involve the following:

- Student may be required to sit in the front of the bus temporarily.

3rd Infraction (or repeated incidents on consecutive days) - Parents will be contacted by the Transportation Manager and administration will be notified, in which an ensuing consequence will be agreed upon. Consequences may involve one or more of the following:

- Student being required to sit in the front of the bus for a specified number of days.
- Assisting with cleaning the bus during student's recess, break, or lunch time (under administrator or staff supervision)
- Loss of bus privileges for one to three days

4th Infraction (or ongoing violations of bus rules and agreement) - Temporary loss of bus riding privileges. Extent of time will be determined by the student's site administrator and dependent on the restorative discipline process.

Important Notes: Some violations may warrant more immediate action. Administration reserves the right to revoke, temporarily or permanently, a student's bus riding privileges depending on the severity or consistency of the infractions.

In all instances of student infractions, we will follow the restorative discipline process to restore the situation between all parties involved.

RULES OF PLAY AND SUPERVISION

Recess time should be a time to be with friends, play, and fellowship with one another. From time to time, conflicts may arise on the playground. Immanuel wishes to provide an environment where all students feel free to worship, learn, and play. Mediation to solve conflicts will be taken to allow students to grow through the process and learn to correct inappropriate behavior. Staff, students, and peers will work to resolve any difficulties that come into play.

1. Children will be supervised at all times while on the playground during the school hours of 7:45 am - 2:55 pm (excluding Wednesday early release days when students are dismissed at 2:25 pm). For liability reasons, students are not allowed on the playground before or after school hours without staff supervision. Students may fellowship with one another at morning arrival; however, they are to line up by grade level until the first morning bell rings. After morning pledges and prayer, they will be taken to class by their teacher.
2. At dismissal, students will go to their bus line or their parent pick-up zone. They are not to play on the playground at this time.
3. Students are not allowed to walk in the parking lot at any time without a parent, guardian, or teacher.

4. While on the playground, students will be reminded of the rules if an infraction takes place. Immanuel strives to provide an environment where each child feels safe and welcome. Treating one another as we would want to be treated is the rule.

SAFE AND SECURE SCHOOL POLICIES

A. School Rules

1. No chewing gum or sunflower seeds on campus..
2. Damage to property by the student due to will or neglect will be charged directly to the parent or guardian.
3. Weapons of any kind, real or toy, are not permitted.
4. Walk at all times when going to recess and the restroom.
5. Be respectful and in control during lunch. No sharing food.
6. Hanging on the railings or fences is not permitted.
7. No glass containers should be brought to school.

B. Bicycles, Skateboards, Rollerblades, Scooters

No bicycles, skateboards, roller blades or scooters will be allowed on campus. Your child may ride their bike to school. Please inform the office if your child will be riding their bike to school. Please make sure they bring a lock.

C. Corporal Punishment

Immanuel Schools does not administer corporal punishment.

D. Weapons

All weapons or objects resembling weapons are prohibited on campus, at any school sponsored activity, and anywhere students are under the jurisdiction of Immanuel Schools. Possession of a weapon will result in disciplinary action up to and including expulsion.

Weapons include, but are not limited to any firearm, loaded or unloaded; air guns; BB guns; pellet guns; knives; slingshots; brass knuckles; chains; fireworks; explosives; propellants; airsoft, and lighters. Any object which could be used to inflict harm on another person will be considered a weapon if the object is used in a threatening manner.

E. Use of Armed Security Guards

Pursuant to state and federal law, Immanuel Schools ("Immanuel") reserves the right to use armed security guards to patrol the school's gates, notify the school's administrators of unauthorized persons, and openly carry a concealed firearm in case of an emergency or incident. This enhanced security program is being implemented by Immanuel, with the objective of maintaining a safe school environment conducive to education. Except in the event of an incident or emergency, the security guards will only be stationed at the school's gates, which are all located within 1,000 feet of the school's property. At no time is any person other than security allowed to openly carry a firearm on Immanuel's property. Please understand that the goal with this initiative is to keep our staff and students safe.

F. Drug Free School Policy

Immanuel Schools' Governing Board declares Immanuel to be a Drug Free School and every effort will be made to ensure that it remains drug free.

Students and parents are reminded that a student of Immanuel is expected to maintain an alcohol and drug free lifestyle on and off the campus; therefore, this policy goes into effect when the student is enrolled and continues in effect until the student withdraws from school or graduates. It is in effect 24 hours a day, seven days a week, including vacation days, and during the summer break.

Any of the following methods may be used to ensure that a drug free school is maintained.

1. **Searches** - It is unlawful to possess, use, sell or distribute illegal (prescription or non-prescription) drugs, illegal drug look-alikes, drug paraphernalia, or alcoholic beverages. Searches and seizure have been ruled by the courts to be legal when there is a “suspicion”.

Searches may involve the following:

Personal (non-invasive) items such as, backpacks, purses ,wallets etc.

School lockers

Electronic devices (iPads, cell phones, etc.)

2. **Law Enforcement on Campus** - The board reserves the right to invite law enforcement, private agency, and/or dogs to search for drugs.
3. **Drug Testing** - Immanuel Schools may require drug testing (under reasonable suspicion). Parents will be responsible to pay for any positive drug test.

G. Policy Concerning Interviewing of Students by Police

It is the policy of Immanuel Schools to attempt to notify parents if police request an interview with their student before the interview takes place.

H. Failure to Comply Policy

Violations of school rules will result in appropriate sanctions and consequences in the sole and absolute discretion of the school, including, but not necessarily limited to, suspension and expulsion. Failure of the student or parents to comply with all current and future policies, rules, and guidelines of Immanuel Schools is grounds for expulsion. Immanuel Schools reserves the right to expel any student for violation of any current or future policy, rule or regulation by the student or parent if Immanuel Schools determines that the student or parent is not in agreement with either the philosophy or educational goals of the school. Students expelled will be considered for return on a case-by-case basis.

STUDENT LIFE

ACTIVITIES PROMOTED ON CAMPUS

All activities that are promoted on campus (flyers, posters, tickets, announcements) must be approved by the administration.

CHAPEL AND ASSEMBLIES

In order to present school chapels and assembly programs which exemplify the highest standards of conduct and moral and spiritual values, it shall be the responsibility of the school administration and the certificated staff to provide programs which have been adequately prepared and directed so that a meaningful value can be experienced. At the heart of a Christian school's spiritual life is the importance of meaningful chapels.

Students are asked to enter the chapel promptly, courteously, and reverently. Chapels and assemblies are compulsory for all students. An attitude of respect and worship is maintained at Chapel. Families are welcomed and encouraged to join us on Fridays. Most times Chapel will be from 8:30-9:10 a.m. However, some Chapels will be split into two times. These times will be 8:30-9:05 a.m. and 9:15-9:50 a.m. Please refer to the school events calendar or weekly updates from teachers and administrators to confirm Chapel times from week to week.

Often assemblies are scheduled under the guidance of the Administration. Assemblies may either be secular or spiritual in nature. Staff may ask students to contribute their talent and ideas to assemblies; it is hoped that students give a positive contribution. Show appreciation for fine performances by an enthusiastic applause, but excessive noise (such as booing, whistling, hollering, and foot stomping) will not be tolerated.

CONFERENCES AND REPORT CARDS

Report cards are issued at the end of each trimester. Report cards are given to parents first trimester at Parent/Teacher Conferences and will be sent home with students at the conclusion of trimester two and three.

Parent/Teacher Conferences will be held in November. If you are unable to make the assigned dates, rescheduling will be at the discretion of the teacher.

- Christian Development Award: 1st – 3rd Grades: Given to students who have either maintained, or shown improvement in, a specific character developmental area.

FACTS (ONLINE GRADES/DATA)

Immanuel Schools uses FACTS for grading and data analysis purposes. For all 2nd through 6th grade families, grades can be viewed online and will be updated weekly. Grades for Kindergarten and 1st grade will be posted per trimester and data will be updated with each assessment on FACTS. If you are concerned about your student's grades, please email the teacher to set up a meeting.

SCHOOLGY

Schoology is an online communication tool providing weekly school information and pictures specific to your child's class. This is a secure website, and you will be given a user code and password accompanied by a letter explaining how to access your student's Schoology account. You will only be able to access your child's class. We encourage each parent to visit Schoology weekly to stay current on classroom and school events.

CLUBS AND EXTRACURRICULAR ACTIVITIES

Our goal is to offer meaningful growth opportunities for our students in addition to academics. Clubs and activities such as: Chess Club, Science Club, Art Club, Garden Club, E-Worship, Poetry & Prose, Art

Contests, Writing Contests, and the Spelling Bee will be explained through our monthly newsletter or special notes. Please encourage your student to participate.

Student Council elections are held in September of each school year and elected positions are served for the entirety of the school year. Students in 4th - 6th grade may choose to run for an officer position. Positions include: president, vice president, secretary, treasurer, safety monitor, and classroom representative. Students must be in good standing both academically and behaviorally throughout their term.

AFTER SCHOOL CARE PROGRAM

Offering:

Parent pickup will be from 2:55-3:15 daily and 2:25-2:45 on Wednesdays. All students not picked up during these times will be checked into the After School Program. Parents do not need to sign up in advance or notify the school if you are running late. Students will be automatically checked in and cared for until you arrive. Care is provided until 5:00pm. All pick up will take place in the front office. Additionally, please pack extra snacks if your child will be staying after school!

Cost:

Each participant in the IES After School Program will cost \$8.50 per hour, billed by the ½ hour, and will be paid through FACTS. For families that will need the After School Program daily, we are offering an optional monthly flat rate of \$295 per child (with August and December being \$150). The discounted flat rate is not adjusted for sick days, vacations, or scheduled days off of school.

Late Fees:

After school care is offered until 5:00pm. Timely pick up is important! A late pick up will result in a \$10 fine per child beginning at 5:05pm. There will be an additional charge of \$1.00 per child, per minute thereafter. Students may be dismissed from the program if late pick-ups occur regularly.

Discipline:

Regular day rules apply to the After School Care program. This helps the students to maintain their knowledge of what is acceptable on school grounds. Conflict resolution allows students to take an active part in the discipline process by having the students identify the problem, alternatives that could have been used, and the consequences of their actions, and possible solutions. We will utilize and follow the Restorative Discipline Flowchart, which states:

- Step 1: Review Respect Agreement, make the situation right, and receive a warning/consequence
- Step 2: Step 1 support, plus parent contact and consequence
- Step 3: Steps 1-2 support, plus 3-day suspension from the program
- Step 4: Steps 1-2 support, plus suspension from after school program; timing determined by administration.

All discipline problems will be referred back to Mrs. Ringhofer and/or Mr. Fast the next school day for review.

Medical & Emergency Information:

Nursing staff will not be on site for our after school program. Students with significant allergy or medical needs may not be able to attend the program due to these circumstances.

ATHLETICS

ATHLETICS

Immanuel Elementary participates in Cross Country and Track. Grades 3-6 are eligible to participate in Cross Country in the fall, and Grades 2-6 are eligible to participate in Track in the spring. Our 6th grade students may be invited to join 7th and 8th grade for JH sports if spots are available. These sports are on a try-out basis. They include flag football, volleyball, basketball, soccer, tennis, baseball, and softball.

Mission Statement

The mission statement of Immanuel Schools is to equip students to serve God and neighbor using their mind, body, and soul. This mission statement of Immanuel Athletics is to encourage our athletes, coaches, and fans to model Christ-like behavior while producing competitive, committed, and courageous teams.

Philosophy

Immanuel is a Christian school that provides a Biblically based education. The school's athletic teams are to be witnesses of the Gospel to all spectators, opposing players, officials and each other. The teams will do this through their attitudes, competitiveness, actions, and words. Each athlete should learn how to glorify Jesus Christ no matter what the situation is on and off the sports venue. One of the main goals of every team is to win, but at Immanuel, it is realized that playing hard and representing the Lord is more important than the end result, whether it be a loss or victory. Winning is a by-product of playing with integrity, class, and hustle.

Athlete's Responsibilities (Please review these with your child)

1. Represent Christ through your words and actions on and off the sports venue.
2. All student athletes are subject to the school rules found in the student handbook at all times. Student athletes may be subject to stricter guidelines, such as suspension from athletics as a result of experimenting with alcohol, drugs, tobacco, or performance enhancing drugs. An athlete will be suspended 1 week from athletic contests for every 1 day of a school suspension up to 3 weeks. Anything beyond a 3 day suspension will be at the discretion of the administration.
3. An athlete cannot practice the following season of sport until the current season is completed, unless agreed upon by the coaches.
4. Any athlete who is suspended from school may practice, but not play in or attend any athletic event during the suspension.
5. Coaches may choose to make cuts during tryouts.
6. The coach or the school administration can hold a student athlete ineligible due to frequent absences and/or tardies and discipline problems in the classroom and the athletic field.
7. Students must be in class at least half of the school day (2.5 hours), not including chapel, in order to practice or participate in an interscholastic competition that day. Extenuating circumstances such as a school related activity or a doctor's excuse provided may be considered as an exception.
8. **Sportsmanship (Players & Parents)**
 - The first fundamental for good sportsmanship is showing respect for the opponent at all times. The opposition should be treated cordially and politely before, during, and after the contest. Respect the

opposition during the contests by showing an appreciation for their abilities. A policy of honesty, humility, and respect should be used when interacting with guests.

- Players must also show complete and utter respect for the officials judging the contest in which they are a part. No matter how good or bad the call is, the official should be treated as an impartial arbitrator who is trying to judge the contest as fairly as possible.
- It is considered good sportsmanship for the player to know and understand the rules and etiquette that are used to regulate the sport with which he/she is involved with.
- Show self control at all times. As a player it is very important to play with emotion, but at the same time not to let emotions affect performance and behavior in a negative way.

Expectations of Citizenship/Attitude (Players & Parents)

Students are expected to display satisfactory citizenship and attitude both as a student during school and as a participant in extra-curricular activities. Poor sportsmanship, profanity, vulgarity, and obscene acts are considered unsatisfactory citizenship. Any student who undermines the principles of Christianity, by his/her attitude or actions, is considered to have inappropriate behavior. Every incident will be treated as an individual case and judged on its own merit.

Code of Ethics (Players & Parents)

1. To emphasize the proper ideals of sportsmanship, ethical conduct, and fair play.
2. To eliminate all possibilities which tend to destroy the best values of the game.
3. To stress the values derived from playing the game fairly.
4. To show cordial courtesy to visiting teams and officials.
5. To establish a friendly relationship between visitors and hosts.
6. To respect the integrity and judgment of sports officials.
7. To achieve a thorough understanding and acceptance of the rules of the game and the standards of eligibility.
8. To encourage leadership, use of initiative, and good judgment by the players on a team.
9. To recognize that the purpose of athletics is to promote the physical, mental, moral, social, and emotional well-being of individual players.
10. **To remember that an athletic contest is only a game—not a matter of life and death for a player, coach, school, fan, or community.**

Academic Eligibility Rules

A student is scholastically eligible if:

The student has achieved during the previous grading period, a minimum of a 2.0 GPA with no more than one “F”. A student not meeting this standard will be placed on probation for one grading period. If the GPA is below 2.0 in the probationary grading period, the student will be ineligible to participate until the 2.0 GPA is maintained for one grading period. If a student has more than one “F” a probationary period will not be granted.

Transportation for “Away” Athletic Events:

When transportation is provided by Immanuel Schools, all athletes are expected to ride the school provided transportation.
